

ARRIVAL DETAILS FOR VENICE

entrance to Calle agli Incurabi Dear Guests,

Dear Guests,

Your Greeter will be: Eliana Argine

Here are her photograph and contact details:

Mobile: (0039)3401089692

Website: <http://www.supinvenice.com/>

Eliana arranges interesting trips, visits and activities, independently of the apartment. Visit her website (above).

Eliana Argine

When you arrive at the airport/train station/road terminal, and at least half an hour before you are due to arrive in the area of the apartment, please **telephone** Eliana, who will then make her way to the rendez-vous, accompany you to the apartment, show you how things work and give you the keys. If she has to meet you after 9 p.m. please have €35 ready to give to her directly, for the lateness of the hour.

Please remember that the apartment is on the second floor without a lift, so any luggage has to be carried upstairs. While the vaporetto stop is very close to the apartment, you have to negotiate 2 little stepped bridges. Please do not ask your Greeter to carry your bags - she is a lovely, helpful person - but she is not a porter! Should you have any problems with carrying luggage, you can book a porter with Trasbagagli:

Tel: 041713719

Fax: 041713864

E-mail: info@trasbagagli.it

If you have not already done so, please now give us your estimated arrival time. Eliana is a busy person and will need to arrange her day to accommodate your arrival. There is a small possibility she may not be able to arrive immediately at the rendez-vous, in which case there is a cafe/ice cream parlour on the quayside directly opposite the Alilaguna vaporetto stop, where you can wait comfortably. Sometimes it is closed on Mondays but there are other cafés close by.

I hope you have a pleasant journey and a happy stay in the apartment.

Very best regards,

Gillie
